Strategic Business Advisory / Business Performance /
Organizational Transformation

FOR PROMOTERS, FOUNDERS
AND LEADERSHIP TEAMS

Our business is client's growth.

01 / THE FIRM

Built around the business. Grounded in execution.

Independent strategic thinking for business promoters who need more than advice.

WHO WE ARE

DUNIZ Business Consultants is a founder-led strategic business advisory firm focused on helping entrepreneurs, business promoters and leadership teams build profitable, professionally managed and scalable organizations.

We work across strategy, people, processes, financial performance and technology - connecting leadership decisions with the operating discipline required to deliver results.

THREE BELIEFS THAT DEFINE OUR WORK

01

Business first

Recommendations must reflect commercial realities, the promoter's vision and the organization's stage of growth.

02

Clarity before action

Examine root causes, set priorities and make difficult decisions with an informed perspective.

03

Execution in view

Translate business ambition into clear ownership, practical roadmaps and review discipline.

Our perspective

Every business has its own DNA. Its strategy must reflect that reality.

02 / CORE ADVISORY CAPABILITIES
